

## GENERAL INFORMATION: CHC33015 Certificate III in Individual Support

### What has changed!

This Qualification supersedes or replaces the following:

CHC30212 Certificate III in Aged Care, now CHC33015 Certificate III in Individual support (Ageing)

CHC30312 Certificate III in Home and Community care now CHC33015 Certificate III in Individual support (Home and Community)

CHC30408 Certificate III in Disability now CHC33015 Certificate III in Individual support (Disability)

### Qualification Description

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason.

Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs.

Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

### Packaging Rules

To be awarded a CHC33015 Certificate III in Individual Support, you need to complete a total of 13 Units of Competency as follows:

- 7 core units
- 6 elective units (dependent on the specialisation you choose to complete).

### Work Placement Requirements:

To achieve this qualification, you must, besides completing the theory part of the qualification, complete 120 hours of supervised practical placement or demonstrate evidence that you have the work skills required if you are already in the industry:

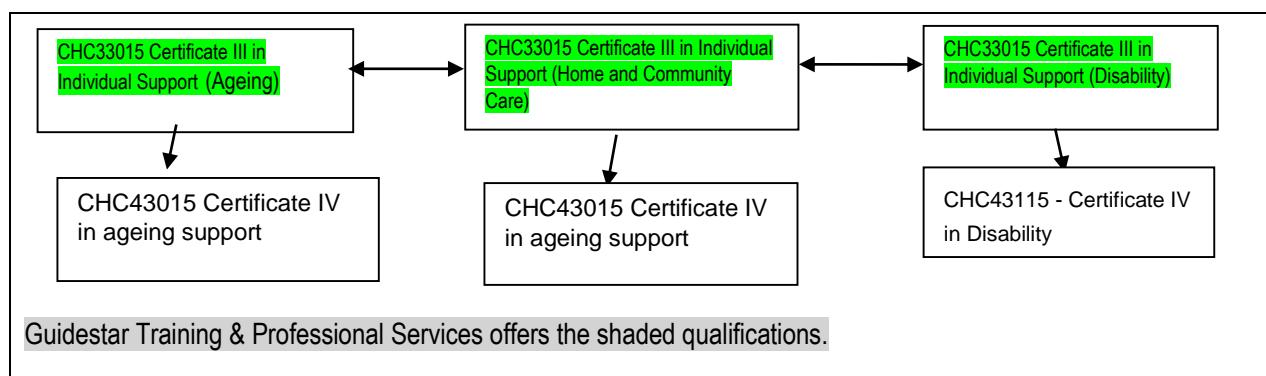

- For (Ageing) Specialisation, work placement in a Residential Aged Care Setting
- For (Disability) Specialisation, work placement in a disability organisation and
- For (Home and Community) specialisation, work placement in a home and community organisation

### Our Entry Requirements

- Police clearance  
This is an industry requirement which must be in place prior to entering the aged care work environment. If required, Guidestar Training & Professional Services will assist individuals through the clearance application process during the course enrolment phase.
- Current First Aid Certificate  
This is an industry requirement which must be in place prior to entering the aged care work environment.
- Successfully complete the Guidestar Training & Professional Services language literacy and numeracy test and speak conversational English
- Be over 15 years of age

### Description & Career opportunities (Ageing Specialization)

Australia's ageing population and a large number of baby boomers reaching retirement age are creating a demand for suitably qualified aged care workers. There is therefore a wonderful opportunity for people who wish to enter the job market, those who are seeking career change or those who want to get back into the workforce to get themselves a qualification that leads to gainful employment!

Employment diversity is an advantage enjoyed by those working in Aged Care, with roles such as:

- Personal Care Assistant/Giver/Worker
- Accommodation Support worker
- Assistant in Nursing
- Care Assistant
